your support:**

- have fun
- enjoy their sport
- be the best they can be
- improve
- be with their friends.

Team Officials

4 TYPES (for QCSA)

- Coach
- Vested Official
- Signature Official (usually the team manager)
- Team Captain (Seniors Only)
- Each of these 4 have very distinct and different duties.
- In some cases they can be the same person and some they cannot.
- We'll look at each one individually.

THE COACH

- The coach is the person who runs the team and for our purposes we are only concerned with Junior teams.
- They can be the signature official, but never the vested official.
- The coach is purely concerned with keeping their team under control.

THE VESTED OFFICIAL

- The vested official is the person who controls the crowd.
- This person cannot be involved with the running of the team.
- They are to sign the match card to indicate to the QCSA who they are.
- They are to observe the game from wherever the majority of spectators are. Not on their own and not from the coaches box.

THE VESTED OFFICIAL

- If a Referee has a problem, this is the person they will talk to sort it out.
- If people are breaking the smoking, alcohol or other rules, this person has to address it.
- While VO's have to control all spectators, not just their own team's. It can be helpful if in all problems that arise, both VO's solve it together. It make's for far greater harmony.

THE VESTED OFFICIAL

- As you can see it is a very important position to have.
- Make sure your managers / coaches are very careful about the people they ask to be Vested Officials.
- It's advisable that all teams get someone who is prepared to do it most weeks. And a backup for when they are away.

THE VESTED OFFICIAL

- EVERY GAME MUST HAVE A VO FROM BOTH TEAMS PRESENT.
- Fines, Loss of Points occur without one.
 - In some cases, SCM rules that a team must have multiple VO's.
- Recognizing that some senior teams struggle to get the team, let alone spectators. If no one is available, the VO may be an on-field player...FOR SENIOR TEAMS ONLY.

SIGNATURE OFFICIAL

- The Signature Official is a very simple task.
- They need to sign the top of the card to confirm that all their players are eligible to play in this game.
- They need to sign the bottom of the card to state whether they are satisfied with the eligibility of the opposition or not.
- The signature official is usually the Team Manager.

THE CAPTAIN

- We are only concerned with Senior Team's captains.
- Every Senior Team (SM, SW, >Age) must have a Captain's Armband.
- This person must be responsible and able to keep the team under control.
- The Armband can be worn by anyone as long as it remains on the field at all times. If the wearer leaves the field, it must be given to another player.

THE CAPTAIN

- Should any problems arise on the field, this is the person the Ref will speak with, who must then relay the message to the rest of the team.
- The Armband does not give the wearer any more right to question the referee or dispute any decisions made.
- In most circumstances if the captain asks a question at an appropriate time and tone, they'll receive an answer.
