

SUNNYBANK SAINTS SOCCER CLUB LINE MARKING

All the fields need to be tidied and marked each week.

The Club does this using volunteers from each team, who arrive at the designated ground on every Saturday morning that play is scheduled. Each team within the club is "rostered on" to do the line marking at either Lister Street & Sunnybank State High or Calamvale Community College at least once per season.

Could Coaches and Managers please advise their teams well in advance as to when they are 'rostered on' and remind them again in the week leading up to their date for linemarking.

Where possible a form letter will be sent to each team manager for distribution to the team members in the week leading up to their day of duty,

Thanking you in advance,
Geoff McCracken
SSSC Line Marking Coordinator – Calamvale Precinct.
