PLEASE NOTE:

Setup and takedown is determined by QCSA draw.

Teams should arrange for 2-3 volunteers to arrive approx. 45 mins before the scheduled kick-off time for the first game, in order to complete the set-up correctly and ready for the referee's inspection.

Nets should already be in place from the Friday night game, so set-up will entail placing of corner flags, substitute benches and opening the toilets.

A "Sunnybank key" will be required to access the keybox on the toilet block to access the key to open the toilets and the small garden shed where the corner flags and benches are stored.

Set-up should be completed at least 15 mins before the kick-off time for the first game.

At takedown, collect ALL equipment (nets, corner flags & substitute benches) and place these in the small garden shed and lock it.

Turn off lights and lock both toilet doors.

PLEASE ADVISE IF THIS CREATES PROBLEMS FOR YOUR TEAM.
